What could be more British than an afternoon tea?

A lovely relaxed way to spend time with friends and family, whilst enjoying some delicious morsels!

Dainty finger sandwiches, sweet and savoury pastries, rich sweet cake, and fresh scones filled with cream and jam are all beautifully presented and served for you by our team.

We provide all crockery and serving equipment, as well as a full team of smart, friendly and efficient waiting staff. (we even have our own set of mismatching china cups and saucers if you wanted to create a retro-chic feel!)

Enjoy a cup of loose leaf tea, fairtrade coffee, or one of our amazing freshly made cooler drinks.

How about a glass of prosecco to finish the perfect afternoon!
